

ANGELA REDDING

St. Peter the Apostle Conference

St. Vincent de Paul

I look at my involvement in St. Vincent de Paul as a journey.

When I started in 2018, I had no idea where this ministry would take me -- as far as my spiritual growth. As I have taken this road, I learned that I am still growing -- in patience, in compassion for others, in developing friendships, in service to the community, and more importantly, in service to Jesus.

I am glad that God set me on this path and with Him as my guide, I am hopeful that I will arrive at my spiritual destination.
