

I began my involvement in SVDP through the urging for my friend David Kaczmarek to join and take over the position as Treasurer. Joining this wonderful group of people has greatly increased my faith through the meetings where we discuss gospel readings and prayer for each other. I had cancer and through the prayers of my SVDP family I was able to go through the experience safely and with a positive attitude. This is one of the best organizations I ever joined and the growth in Faith through the works and prayers of this group is amazing. Helping others is a really rewarding experience and my SVDP family is great at helping our neighbors and being a active part of the St. Peter the Apostle Catholic Church Community.
